

Schedule of Fees 2025

All nursery providers must now clearly show how funded hours are delivered and what additional charges apply. In our price list we have:

- Broken down our pricing into additional hours, food, consumables, and activity charges
- Sessions that allow you to attend at either no cost or for the cost of just the food and enhancements, in patterns that we plan out for efficiency
- Created flexible fully inclusive offers where parents choose one of our **All-In** packages at a favourable rate
- Provided all the information for you to **Build your own package**

If you are not eligible for funding then we invite you to talk to us as we also offer non-funded **private discounts** on these hourly rates.

You should read this Schedule of Fees alongside our other relevant policies:

- Funding Policy
- Admissions & Waiting List Policy
- Provision of Food Policy
- Consumables & Activities Policy

'Tax Free' Childcare Accounts

Working parents of children aged under 12 can use Tax-Free Childcare, through the childcare service account, to pay for registered childcare. The Government top-up the money that parents pay into the account i.e. for every £8 parents pay in, the Government will add an additional £2. Parents can received £2,000 per child per year, or £4,000 if disabled.

Visit www.gov.uk/tax-free-childcare to find out more about eligibility and the scheme. We advise parents to ensure they have read all the advice in relation to what is best for them and whether they should move from an existing scheme. The nursery will not be held responsible in any way if your choice results in changes to your eligibility for other benefits or childcare costs support.

Childcare Choices

The Childcare Choices website will guide you through your options. It provides access to the application process for the childcare accounts and the 30 hour entitlement - make sure you are ticking the correct boxes for you. Eligibility for all this and the 30 hours is determined by HMRC and parents should check their own eligibility through the relevant government website. The website Childcare Choices offers you the opportunity to compare what is best for your family.
